Dear Ms. Best:

This is in further response to your Freedom of Information Act (FOIA) request of June 18, 2018, requesting copies of all drafted, submitted or received SF-311 forms produced in the year prior to the receipt of this FOIA request. The SF-311 forms may also be identified as Agency Security Classification Management Program Data and supplements our response of July 6, 2018.

As noted in our letter, the search and coordination has been completed with other elements of this command and a document has been returned to this office for our review and direct response to you.

We have completed a review of the document in accordance with Executive Order (EO) 13526. As a result of this review, information has been sanitized from the document to protect the personal privacy rights of the individual concerned. This information is exempt from the mandatory public disclosure provisions of the FOIA pursuant to Title 5 U.S. Code 552 (b)(6).

The withholding of the information described above is a partial denial of your request. This denial is made on behalf of Major General Gary W. Johnston, Commanding, U.S. Army Intelligence and Security Command, who is the Initial Denial Authority for Army intelligence investigative and security records under the FOIA. You have the right to appeal this decision to the Secretary of the Army. Your appeal must be postmarked no later than 90 calendar days from the date of this letter. After the 90-day period, the case may be considered closed; however, such closure does not preclude you from filing litigation in the courts. You should state the basis of your disagreement with the response and provide justification for a reconsideration of the denial. An appeal may not serve as a request for additional or new information. An appeal may only address information denied in this response. Your appeal is to be made to this office to the below listed address for forwarding, as appropriate, to the Secretary of the Army, Office of the General Counsel.
